*High Point, NC, October 21, 2009:* Accelerando, Inc. is pleased to announce that it has acquired the Microsoft Dynamics practice of Price Data Systems, a Louisville, KY-based firm. As part of the acquisition, Accelerando will retain PDS' four sales and support professionals with over 45 years of combined experience in implementing and supporting Microsoft Dynamics GP and Dynamics NAV solutions. "The Accelerando team has implemented and supported Dynamics products since 2003. I see the addition of these new professionals and resources from Price Data Systems as an opportunity to enhance the service we provide to existing customers from both organizations.
